The vision of DC Multisport is to build a vibrant, well-connected fitness community in Dubois County. DC Multisport is a welcoming, camaraderie filled organization that fosters group training, race, education, and recreation opportunities among its members, while giving back to our local communities.

You need not be a competitive athlete to belong and participate... all faces and paces are welcome!

Our mission is to promote Health & Wellness while giving back to our communities. To achieve a more philanthropic role, each event has a benefactor with proceeds going to a charitable cause. Through community support from September 2012 to December 2014, DC Multisport has been able to give \$67,580 in charitable contributions for causes in our community.

DC Multisport Endowment:

An endowment for DC Multisport has been set up. This endowment will grow through a portion of the **Event Proceeds**. Currently, the DC Multisport Endowment holds \$9,125.

Benefits of Membership:

Membership benefits include, but are not limited to the following:

- Participate in group training/exercise sessions
- A web-based calendar of up-coming events, past events, group activities, races, etc. for members to view
- Social and Recreational events among members
- Have an opportunity to listen to guest speakers on fitness/health topics
